

About us

Since its establishment in 1999, Nationwide Finance and Leasing have provided innovative and flexible finance solutions to both businesses and individuals.

With access to over 15 banks and finance companies offering exclusive deals to our customers, we're more than confident we can offer you an ultra-competitive finance package that's tailor made for you.

Whilst we finance everything from computer equipment to luxury yachts, we are particularly skilled with automotive financing and have particular specialization within the transport equipment category.

Regardless of who you may have used in the past, it really does pay to come and discuss your finance needs with us - we're here to make sure you get the best possible deal.

Sam Mangano - Senior Finance Consultant

Sam completed his Bachelor of Economics from La Trobe University and then joined ANZ bank. During this time he received valuable training and experience in all facets of business and commercial lending. Since then he has held numerous senior finance positions including a number within the truck industry. All up Sam has over 25 years Finance experience.
